

REMARKS

Entry of the above amendments to the specification and claims and consideration of this application, as amended, is respectfully requested. Claims 46, 47 and 51 were canceled as these claims include the subject matter allowed in U.S. Patent Application No. 09/940,097. No new matter is added to this application with these amendments.

On the basis of the above amendments and remarks, applicants believe this application, as amended, is in condition for allowance and its early allowance is respectfully requested.

Respectfully submitted,
